ABOUT US

Golden Hands Homecare Inc. is a dedicated Psychiatric Rehabilitation Program (PRP) located in Pikesville, Maryland. We are committed to providing safe, secure, and responsive behavioral and mental health services to the entire family and individual. With our strong belief that our partnership with family, consumers, staff, and the community are important to the success of our unique program, we provide on-site and off-site services to children, adolescent 5-17 years of age, and adults 18 and over. We specialize in dealing with mental illness and substance abuse disorders helping them maintain a more comfortable lifestyle.

OUR TEAM

Our Team includes Rehabilitation Specialist, Rehabilitation Counselor, and experts in various fields

- Our team of specialists addresses each person's behavioral, physical, and social needs through:
 - Individual counseling
 - Group interaction
 - Individuals can also participate in off-site therapeutic recreation activities.

OUR SERVICES

We offer the following services

Our Psychiatric Rehabilitation program offers onsite and offsite (Blended services) in the community for children, Adolescent and Adult with mental illness. We support health promotion and healthy lifestyle development for our clients through:

- Psychoeducation, to help individuals better understand their illness
- Smoking cessation,
- Money management
- Locating, acquiring, and maintaining housing
- Socialization and peer interaction
- Substance Abuse education and support
- Vocational services, for those who wish to join the workforce.
- Monitoring of self-administered medication, if requested
- Crisis Intervention, Behavioral Support and Community Outreach.

Mission Statement

We serve all ages regardless of social status, race, or color. We serve Baltimore Metropolitan area and its surrounding communities. Our program helps people struggling with Mood disorder, Bipolar, depression, substance abuse disorder, schizophrenia through our group and one-on-one counseling
